An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. William Gehris on 08/31/2004.

The application has been amended as follows:

(claim 1, line 11 and claim 17, line 10) delete "capable of".

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Upon further consideration, the claims have been found allowable since the prior art of record fails to disclose or suggest the combination of the claimed folding cylinder comprising a cover fixed to the second rotatable support and extending circumferentially over the first gripping device between the first tucking device and the second tucking device and the cover having an aperture so that the first gripping device extending through the aperture (Figs. 3 and 4). The previously applied references Chagnon (6,367,792) nor Kubota (5,122,109) disclose "a cover...extending circumferentially over the first gripping device..., the first gripping device extending through the at least one aperture" instead Kubota discloses bands 27 with apertures to permit folding blade 2 extending through the apertures (Kubota 5,122,109; Fig. 2).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
